Halyma's Belly Dance

Private Lesson Packages for parties!

Halyma can bring a fun belly dance mini workshop or lesson show to you!

Great idea for birthdays, showers, girl's night, and so much more!

Options for a fun event!

The Mini-Workshop - \$80/hr*

In simple garb, with a big bag of veils, Tracey teaches some basic moves of belly dance. Loads of fun when everyone tests their skills at the end of the lesson!

Suggested times: 1 hour for a party, up to 3 hours for a group focused on learning/ exercising.

The Lesson Show - \$175*

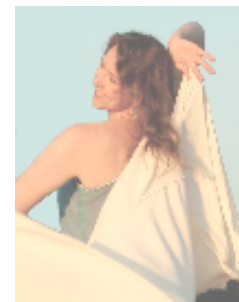

Halyma arrives in full costume to perform for a song, demonstrating the moves she'll teach and more!

With the big bag of veils for all to tie around their hips, she begins the lesson that lasts up to one hour. At the end of the lesson, everyone gets to test their new dance skills.

Optional Added Experience Veil Meditation with Reiki +\$40*

After the lesson is finished, the guest of honour is asked to sit or lie down in the centre of a circle of dancers.

A demonstration of Halyma's Veil Meditation is given and the guest of honour is given a Reiki [gentle energy] treatment.

This adds about 15 minutes to the total experience.

Belly Dance is an ancient art form that Halyma and her colleagues devote time and energy to studying and perfecting to share this lovely, family-oriented dance form with those interested in learning more about it.

Weekly classes, private and public shows and events are also part of the belly dance lifestyle. Check our website for more info!
